I have a senior athlete this year eligible for a \$500 scholarship

Name of Senior Athlete _____

Sidney High School Athletic 200 Club

2009-2010 Membership Drive

The Sidney High School Athletic 200 Club plays a big part in providing for the entire Sidney City Schools Athletic Department.

The 200 club was started in 1990 to help fund construction of the new weight room at Sidney High School and is still going strong thanks to the Sidney community. In that time, the club has worked with the athletic department, head coaches, and the individual sports booster groups to donate over \$150,000 in equipment and awarding of \$40,000 in scholarships to over 70 female and male athletes. The club has purchased items in the following sports:

Basketball: Breakaway rims, Shoot-around machine, Press box in SHS Gym, Scoreboard at Middle School,

Baseball/Softball: Portable sliding pit, Pitching machine, Dugouts and Infield sod at SHS fields, scoreboard, brick dust;

Football: blocking sleds, weight room equipment, power racks

Golf: umbrella, bags

Soccer: New game goals, Portable Goals, Training Equipment

Track/Filed: Long jump pit, portable timer clock, portable shelter tent

Volleyball: Standards, Training Equipment

Wrestling: mat reconditioning, new mat

All sports: Numerous Video Equipment

All the purchases made are supplemental in request. These items are not budgeted for by the SHS Athletic Department.

Two Major Projects:

A \$15,000 donation was also made to Project Excel that helped create the Soccer complex at the SHS track and funded a new computer lab in the High School.

\$20,000 for the construction of the elevated press box in the SHS Gymnasium.

Your \$100 contribution would be very important in continuing the 200 Club and the support that it gives to ALL our athletic programs. Your \$100 includes the following:

- * 10 monthly drawings of \$50.00 each.
- * Year end drawings: (1) \$250 winner (5) \$100 winners

- * The club sponsors 2 parties for the members, who are paid in full, and their spouse or guest.

The first party will be held on Friday October 30 immediately following the football game with Troy at the Sidney Elks Club. Hamburgers, Hot Dogs, Chips, Chili, and Beverages.

The year end dinner party will be held in May of 2010. (Actual date and time will be announced later in the year.) At this party we will announce the scholarship winners for the current year and have our final year end drawings.
